Introduction

Joining clubs is part of every Guildford High School pupil's journey. Our extensive extracurricular programme allows students to explore their interests, whatever they may be. Pupils are engaged and challenged and have opportunities to make friends with like-minded people, develop skills, work in teams and above all, have fun!

With more than 100 different activities on offer each week, the biggest problem pupils face is how to fit them all in. Clubs run before school, at lunchtime and after school every day. A typical term's offering to pupils in the Senior School can be found in the following pages. Various clubs do change according to the term.

Pupils will have the opportunity to attend our annual Clubs Fair at the start of the year, where they can explore what is on offer and sign-up to their favourite activities.
